Attachment 5 Independent Auditors' Report and 2021 Consolidated Financial Statements

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders
GSD Technologies Co., Ltd.

Opinion

We have audited the accompanying consolidated financial statements of GSD Technologies Co., Ltd. (the "Company") and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters of the Group's consolidated financial statements for the year ended December 31, 2021 are described as follows:

Revenue Recognition

The Group's sales revenue was \$1,960,518 thousand in 2021, which increase of 6.16% over 2020. The growth rate of sales revenue from certain sales customers was higher than the growth rate in 2021. Since the amount and proportion thereof are a matter of significance, we have deemed the occurrence of recognition of the sales revenue from the key customers to be a key audit matter for the year ended December 31, 2021.

Our key audit procedures performed in respect of the above matter included the following:

1. We understood and tested the design and operating effectiveness of the key controls over the revenue recognition from the key customers.
2. We sampled and inspected the invoices, bill of lading and cash collections to verify the accuracy of revenue from the key customers.
3. We reviewed the existence of sales returns, discounts and cash collections that occurred after the reporting period.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Yao-Lin Huang and Mei-Hui Wu.

58. In case a Member who has cast his votes by a written instrument or by way of electronic transmission intends to attend the relevant general meeting in person, he shall, at least two (2) day prior to the date of the general meeting, revoke such votes by serving a notice in the same manner as he cast such votes. In case the Company receives two or more proxies from one Member, the one received first by the Company shall prevail unless an explicit statement by the Member to revoke such proxy is made in the subsequent proxy, provided this subsequent proxy is received no later than five (5) days prior to the date of the general meeting.

61. In case a Member who has served a proxy intends to attend the relevant general meeting in person or to exercise his voting power by way of a written ballot or electronic transmission, he shall, at least two (2) days prior to the date of the general meeting, revoke such proxy by serving a separate written notice to the Company or Shareholder Service Agent. Upon such exclusion, the number of voting Shares being excluded and attributed to each Member represented by the same proxy shall be determined on a pro-rata basis based on the total number of voting Shares being excluded and the number of voting Shares that such Members have appointed the proxy to vote for.
64. The use and solicitation of proxies not provided for in these Articles shall be governed by the internal rules of the Company, as adopted and amended by the Board from time to time, which shall be in compliance with the Law and the Applicable Listing Rules (in particular, the Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of R.O.C. Public Companies (as amended, supplemented or otherwise modified from time to time)).

Each Member may divide and distribute such Member's votes, as so calculated, among any one or more candidates for the directorships to be filled, or such Member may cast such Member's votes for a single candidate. At such election, the candidates receiving the highest number of votes, up to the number of Directors to be elected, shall be elected. In the absence of such designation, the Directors present at the meeting shall elect from among themselves an acting chairman.
70. 71. When the number of Directors then in office falls below five (5) due to any Director(s) vacating his office for any reason, the Company shall hold an election for such number of Directors at the next general meeting to fill the vacancy for the remainder of the term of such outgoing Director(s). When the number of Directors then in office falls short by one-third of the total number of Directors initially constituting the existing Board, the Company shall convene an extraordinary general meeting within sixty (60) days of the occurrence of that fact for the purposes of electing such number of Directors to fill the casual vacancy.

In circumstances where a Director breaches any of such duties and acts for his/her or other Person's interest, the Company may, with the sanction of an Ordinary Resolution, take all such actions and steps as may be appropriate and to the maximum extent legally permissible to seek to recover any and all earnings derived from such act as if such misconduct is done for the benefit of the Company.

When an Independent Director ceases to act, resulting in a number of Independent Directors then in office lower than the prescribed minimum number, an election for an Independent Director shall be held at the next general meeting. When all Independent Directors cease to act, the Company shall convene an extraordinary general meeting to hold an election of Independent Directors within sixty (60) days from the date on which the situation arose.
78. Independent Directors shall possess professional knowledge and shall maintain independence within the scope of their directorial duties, and may not have any direct or indirect interest in the Company. The professional qualifications, restrictions on shareholdings and concurrent positions held by the Independent Directors shall be as prescribed by the Applicable Listing Rules, and the assessment of independence of such Independent Directors shall be in compliance with the Applicable Listing Rules. The venue for a shareholders meeting shall be the premises of GSD, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to the opinions of the independent directors with respect to the place and time of the meeting.

5.6. Appoint to attend shareholders' meeting and authorization

5.6.1 For each shareholder meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by GSD and stating the scope of the proxy authorization.

5.6.2 A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders meeting and shall deliver the proxy form to GSD before 5 days of the shareholders meeting date. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment.

5.6.3 After a proxy form has been delivered to GSD, if the shareholder intends to attend the meeting in person or to exercise voting rights by correspondence or electronically, a written notice of proxy cancellation shall be submitted to GSD before 2 business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

5.7. Preparation of documents such as the attendance book

5.7.1 GSD shall specify in its shareholder meeting notices the time during which shareholder attendance registrations will be accepted, the place to register for attendance, and other matters for attention.

5.7.2 The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations.

5.7.3 Shareholders and their proxies (collectively, "shareholders") shall attend shareholder meetings based on attendance cards, sign-in cards, or other certificates of attendance. GSD may not arbitrarily add requirements for other documents beyond those showing eligibility to attend presented by shareholders. Solicitors soliciting proxy forms shall also bring identification

documents for verification.

5.7.4 GSD shall furnish the attending shareholders with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in.

5.7.5 GSD shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors, pre-printed ballots shall also be furnished.

5.7.6 When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as a proxy, it may designate only one person to represent it in the meeting.

5.8. The chair and non-voting participants of a shareholders meeting

5.8.1 If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairman of the board. When the chairman of the board is on leave or for any reason unable to exercise the powers of the chairman, the chairman shall appoint one of the managing directors to act as chair, or, if there are no managing directors, one of the directors shall be appointed to act as chair. Where the chairman does not make such a designation, the managing directors or the directors shall select from among themselves one person to serve as chair.

5.8.2 When a managing director or a director serves as chair, as referred to in the preceding paragraph, the managing director or director shall be one who has held that position for six months or more and who understands the financial and business conditions of GSD. The same shall be true for a representative of a juristic person director that serves as chair.

5.8.3 It is advisable that shareholders meetings convened by the board of directors be chaired by the chairman of the board in person and attended by a majority of the directors, and at least one member of each functional committee on behalf of the committee. The attendance shall be recorded in the meeting minutes.

5.8.4 If a shareholders meeting is convened by a party with the power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

5.8.5 GSD may appoint its attorneys, certified public accountants, or related persons retained by it to attend a shareholders meeting in a non-voting capacity.

5.9. The shareholders' meeting of calculating the attendance of shares and meeting

5.9.1 Attendance at shareholders meetings shall be calculated based on numbers

of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in plus the number of shares whose voting rights are exercised by correspondence or electronically.

5.9.2 The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned.

5.10. Documentation of a shareholders meeting by audio or video

5.10.1 GSD shall record in video uninterrupted the entire process of shareholder registration, meeting process, the voting and vote counting process from the moment of accepting shareholder registration.

5.10.2 The recorded materials of the preceding paragraph shall be retained for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

5.11. Discussion of proposals

5.11.1 If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.

5.11.2 The provisions of the preceding paragraph apply *mutatis mutandis* to a shareholders meeting convened by a party with the power to convene that is not the board of directors.

5.11.3 The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

5.11.4 The chair shall allow ample opportunity during the meeting for explanation

and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed and call for a vote.

5.12. Shareholder speech

5.12.1 Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

5.12.2 A shareholder in attendance who has submitted a speaker's slip, but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

5.12.3 Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.

5.12.4 When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

5.12.5 When a juristic person shareholder appoints two or more representatives attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal.

5.12.6 After an attending shareholder has spoken, the chair may respond in person or directly relevant personnel to respond.

5.13. Calculation of voting shares and recusal system

5.13.1 Voting at a shareholders meeting shall be calculated based on the number of shares.

5.13.2 With respect to resolutions of shareholder meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

5.13.3 When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of GSD, that shareholder may not vote on that item, and may not exercise voting rights as a proxy for any other shareholder.

5.13.4 The number of shares to which voting rights may not be exercised under the preceding paragraph shall not be calculated as part of the voting rights represented by attending shareholders.

5.13.5 With the exception of a trusted enterprise or a shareholder services agent approved by the competent securities authority, when one person is

concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

5.14. Voting, voting monitoring and counting

5.14.1A shareholder shall have one voting power in respect of each share. The shares shall have no voting power under any of the following circumstances:

- (1) The share of a company that is held by the issuing company itself in accordance with the law.
- (2) The shares of a holding company that are held by its subordinate company, where the total number of voting shares or total shares equity held by the holding company in such a subordinate company represents more than one half of the total number of voting shares or the total shares equity of such a subordinate company.
- (3) The shares of a holding company and its subordinate company that are held by another company, where the total number of the shares or total shares equity of that company held by the holding company and its subordinate company directly or indirectly represents more than one half of the total number of voting shares or the total share equity of such a company.

5.14.2 When the company convenes a shareholder meeting, it may allow the shareholders to exercise voting rights by correspondence or electronic means. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting right by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived the rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that GSD avoid the submission of extraordinary motions and amendment to original proposals.

5.14.3 A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

5.14.4 After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made

known to GSD, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

5.14.5 Except as otherwise provided in the law and in this article of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, followed by a poll of the shareholders. After the conclusion of the meeting, on the same day it is held, the results of each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

5.14.6 When there is an amendment or an alternative to a proposal; the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When anyone among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

5.14.8 Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of GSD.

5.14.9 Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.

5.15. Election of directors

5.15.1 The election of directors at the shareholders meeting shall be held in accordance with the applicable election and appointment rules adopted by GSD and the voting results shall be announced on-site immediately, including the names of those elected as directors, the number of votes with which they were elected, list of unsuccessful directors and supervisors and the number of voting rights obtained.
